VOL. CXXXVII.—No. 182. ALEXANDRIA, VIRGINIA, TUESDAY, AUGUST 2, 1921. PRICE TWO CENTS

URGES LEVY OF $10 ON AUTOS

Secretary's Estimate of Needs $675,000,000 Over Fordney's.

PROGRAM IS UPSET

Favors Impost On Bank Checks and Heavier Charge On All Tobacco.

Waskington, Aug. 1.—After Secretary of the Treasury Mellon, accompanied by Internal Revenue Commissioner Blair and Dr. Thomas S. Adams, tax expert, told the Ways and Means Committee, sitting today in executive session, to begin drawing the Taxation Revision bill, that $4,675,000,000 would be needed by the Government in this fiscal year, the confusion that has been apparent in the committee's deliberation became worse confounded.

Among the suggestions said to have been made by Mr. Mellon were:

A two cent tax on bank checks.

A $10 tax on all automobiles, irrespective of cost or horsepower.

An added levy on cigars, cigarettes and other forms of tobacco.

An increase of first-class postage rates to three cents.

A reduction of 50 per cent. in transportation taxes, both passenger and freight, next year and their elimination the year following.

Repeal of the taxes on soda fountain drinks and ice cream.

Repeal of the excess profits tax and elimination of the $2,000 exemption on corporations incomes.

Increase of the normal income tax on corporations from the present 10 per cent. to 15 per cent.

Elimination of the income surtax brackets above 40 per cent., with the surtax rates on incomes ranging from $6,000 to $50,000 increased.

Aside from internal taxes the Treasury Secretary was understood to have estimated customs receipts for next year at $450,000,000 and miscellaneous receipts, including salvage, at $350,000,000. He was said to have figured that the $10 license tax on automobiles would bring in $100,000,000, and that added levy on cigars, tobacco and cigarettes and additional $25,000,000. Increased postal rates have been estimated to yield another $75,000,000, but the estimate as to the income from the proposed tax on bank checks was not disclosed.

The loss of revenue through reduction of the transportation taxes has been placed at approximately $150,000,000.

Late this afternoon, following hours of discussion, the session adjourned for the day and Chairman Fordney spoke briefly of what had happened. Mr. Mellon had stood substantially on the figure given in his letter to Congress of April 30, raising it about $100,000,000. He also had one into some detail as to changes in tax rates. Neither the total figure set by him as the Government's requirement nor some of the taxes proposed by him were satisfactory to the Republican leaders.

Salvation Army Work

Appeal Made for Garments, Shoes and Money.

The work of the Salvation Army in this city for the month of July, 1921, follows:

Twenty-five beds furnished for men, 50 meals furnished, 19 garments furnished for men, women and children, transportation furnished one man to Richmond, one man to norfolk, three men to Washington, one man to Fredericksburg, one man and woman to Calverton, one colored man to Fredericksburg, one girl looked after for four days, work and boarding house found for her, one pair of children's shoes, three pair of men's shoes.

Captain McIntyre requests that citizens do not forget that he needs old shoes and garments. His phone number is 519.

Look! Look! Our children's outing to Marshall Hall August 8. We need your help to give them a good time. We need about $25 to make them happy.

Who will help us?

The Salvation Army thanks you. 321 King street.

Books Added To the Alexandria Library.

Pawned, Frank L. Packard; Vision House, C. N. and A. M. Williamson; John Rutland's Romance, J. P. Bessell; Journey's End. Edna Brown; Red Masquerade, Louis J. Vance; The Cross Cut, Courtney Cooper; Guns of the Gods, Talbot Mundy; The Alternative, Morgan Gibbon; Seamouche. Rafael Salatine; The Heaviest Pipe. Arthur Patterson; The Shield of Silence, Harriet Comstock; Mistress Anne, Temple Bailey; Kazan, James Curwood; Baree, Son of Kazan, James Curwood.

Body of Young Woman Found.

West Newton, Pa., Aug. 2.—The body of a strange young woman, aged about 18, and apparently an American, was found along the banks of the Youghiogheny River, near Smithon, near here, yesterday afternoon. The young woman's throat had been cut from ear to ear and she had been shot through the left eye, the bullet coming out at the back of her head.

Circumstances, according to State police and county detectives, point to the young woman having been slain in an automobile and her body thrown along the river bank near where it was found.

Drastic Law In Florida.

Through the efforts of Mr. R. Fleming Bowden, president of the Jacksonville Humane Society, a bill was enacted in Florida, in June, prohibiting the exhibition, for pay, in that state, of any crippled or physically distorted, malformed or disfigured man, woman or child, and also prohibiting the exhibition, for pay, of any crippled or physically distorted, malformed, or disfigured beast bird, or animal. Heavy penalties are provided for those convicted of breaking this law.

Experts Will Search for Dr. Stone's Body.

Calgary, Alberta, Aug. 2.—A party of experienced mountain climbers and guides, headed by Rudolph Aammer, of Lake Louise, will leave Banff Wednesday to search the recesses of Mount Eanon for the body of Dr. W. E. Stone, president of Purdue University, who plunged to his death July 16. It was Aamer who rescued Mrs. Stone after she had fallen to a rocky ledge and narrowly escaped starvation.

The educator's son reached Banff yesterday and left today for Trail Centre Camp, where Mrs. Stone is resting preparatory to returning to civilization. He probably will accompany the searching party.

AnTXD4|Gmd omdd mod om do oh

Had Short Life.

The Pas, Manitoba, July 30.—The Church of the Cult of Omar has expired.

Based on the Rubaiyat of Omar Khayyam, a new religious organization was born in The Pas this spring. It grew rapidly, but today only three of its original members would admit they still held firm to their beliefs.

The exodus from membership started when a new convert asserted the cult was formed with the object of getting a government permit to purchase liquor under guise of its necessity for sacramental purposes. Officials of the cult vainly denied they had any such object in view.

Hot Weather Troubles

Three Cases of Disorder Heard Before Police Court.

A wife appeared today as complainant against her husband whom she charged with striking her three times. The husband said he had no recollection of the affair. The wife after telling the court that her husband was engaged in making home brew informed the court that she wished her husband to keep away from the house, although she admitted that he contributed $25 a week to her support. This was agreeable to the husband and the husband was informed that in the event he was not permitted to go with his wife he would not be compelled to contribute to her support. This agreement was satisfactory to both parties and the case was dismissed, although the husban gave his personal bond in the sum of $100 to keep the peace.

A young man was walking with a young lady on the streets early las night and he was accosted by a former friend who took him to task for his alleged failure to speak. The man who took him to task for this elleged offense, he also claimed, became abusive in front of the young lady and told her she did not have to stand and listen to his remarks. He was put under a peace bond for three months in the sum of $100 and acquitted.

A colored woman living in the northeastern section of the city at 4:30 o'clock this morning claimed she was attacked by a roomer in her house. The alleged assault consisted of hitting her over the head with a shoe and then acting in a menacing manner with a razor. This was denied by the prisoner. Anyhow, the woman jumped out of the second story window, it was testified. In this case a peace bond was taken and the prisoner acquitted.

HEAVY VOTING IN RICHMOND.

Alexandria Gazette:

Richmond, August 2.—Voting in the early hours today was heavy in all the precincts. There are many women at the polls. There is no congestion. The number of city precincts being nearly double that of last year.

State News

Charlottesville.—Dr. Philip Alexander Bruce, eminent Virginia historian, in a recent protest against the removal of the medical department of the University of Virginia to Richmond declared that such a step would amount to a breach of faith with the benefactors of the institution who have given large sums of money to endow the medical school, the hospital and other University departments with the tacit understanding that it would be kept intact.

Lynchburg. — Virginia relatives of Mrs. Halena Miley, a resident of St. Paris, Campagne Counyt, Ohio, have been advised that Mrs. Miley, although 105 years of age, is expecting to attend the famous Miley-Hottle reunion there this summer. Mrs. Miley will be 106 years old in September. She is a native of Page County, and has survived her husband, John Miley, a native of Shenandoah County, about thirty-five years.

Danville, Va.—State Senator E. Lee Trinkle will close his primary campaign with an address next Monday to be delivered at Rocky Mount, in Franklin county.

Petersburg. — Today was the fifty-seventh anniversary of the Battle of the Crater—one of the bloodiest battles in the War Between the States, if not in American history, and, while no celebrations were held here in commemoration of that famous struggle at the gates of the Cockade City, many stood in reverence to the memory of the men who gave their lives—both Blue and Gray—in the fight.

Harrisburg. — What promises to be an unusual event in the history of the Rotary club here, will take place at the Kavanaugh hotel Saturday night, when the charter will be presented to the Harrisonburg Club by the district governor, Joseph Turner, of Roanoke. A large number of Rotarians are expected from other cities, the entire club of 35 members from Staunton being expected in addition to 16 from Charlottesville, and representatives from Roanoke, Lynchburg, Covington, Lexington and Winchester.

Portsmouth.—The naval air station at Rockaway Beach will be placed on a non-operative basis September 1, it became known today. The flying force there—300 men and officers—is preparing for flight to the Hampton Roads station, which will be the only flying field for naval planes remaining in commission on the Atlantic Coast, information from the Hampton Roads naval air station indicated today.

Lynchburg.—A hand-lever car, apparently placed on the track by someone who wanted to ride or play, was picked up early Thursday morning by the Augusta special and carried to Danville. The truck rode safely on the pilot of the engine and was discovered upon arrival there. The engineer did not know when he struck the truck and it was some time before it was learned in Danville where the truck belonged.

Newport News.—Newport News taxes will be reduced next year, according to Mayor P. W. Hiden and other members of the city council. Just what the cut will be no one is able to say at this time.

Lynchburg.—It is expected that the vote in Lynchburg in Tuesday's primary will not total much more than 2,500, which will scarcely be 50 per cent. of the electorate qualified in the city.

Danville.—Danville Military Institute was sold at auction yesterday afternoon for the purpose of clearing up the title. The purchasers were C. G. Holland, M. K. Harris and Frank Talbott, a committee representing the present stockholders and the second mortgage holders. The price at which the college was knocked down was $12,000.

Richmond.—Dr. J. D. Eggleston, president of Hampdon-Sidney College, and Dr. J. A. C. Chandler, president of William and Mary College, have both notified Secretary Cridlin, of the Virginia Pageant Association, that the two colleges will be well represented in the pageant to be held here in May, 1922. The presidents believe the history of the colleges will be of interest and also will be another attraction in the great play.

Charlottesville.—Dr. Edwin A. Alderman, president University of Virginia, has been taken to Faxton Hospital, Utica, N. Y., as the result of an accident in the Adirondack Mountains, where Dr. Alderman was passing his vacation. Dr. Alderman sustained a fracture of the left arm just below the shoulder, having fallen near the Rocky Point Inn. His condition is reported as fairly satisfactory.

BARN DESTROYED BY FIRE EARLY THIS MORNING.

Fire of undetermined origin at 4:30 o'clock this morning destroyed the cow shed and barn in the rear of the residence of James Groves, St. Elmo, Arlington county. Relief Company No. 1 and Columbia Company No. responded and prevented the fire stroying the residence of Mr. Groves.

HEAVY VOTE IN PRIMARY

1,239 Votes Polled Up To 2 O'clock This Afternoon.

EXPECT 2,200 VOTES

Representatives of Candidates Kept Busy—Primary Quiet and Orderly. Result Awaited With Interest.

A good sized vote is being polled here today. From the time of the opening of the polls at 5:01 this morning the election officials were kept busy. The election is quiet and orderly and there were no votes challenged up to the time the Gazette went to press.

At 2 o'clock this afternoon a total of 1,239 votes had been polled in this city. It is expected that before the polls close at 7:10 o'clock tonight at least 2,200 votes will be cast.

The vote by wards follows:

First	292
Second	322
Third	345
Fourth	296
Total	1,239

The shower at 9 o'clock this morning did not interfere with the voting in any manner.

There were only small groups of "workers" around the various voting places, most of whom were keeping a check on the voters. Both the Trinkle and Tucker forces had many automobiles out for the accommodation of the voters and from the time of the opening of the polls this morning they were kept busy. Indications are that they will continue busy till the polls close at 7:10 o'clock tonight.

Many women voted early this morning and at some of the voting places it looked as if as many women were voting as men. This, however, was not the case.

Representatives of the Trinkle and Tucker forces were out in full force this afternoon and every effort be made by both sides to get out a full vote. Indications point to a fair majority by Trinkle in the city.

The primary has been a clean-cut affair among Democrats and there has not been any bitterness on either side, both sides simply, claiming the merits of the various candidates whose cause they espoused. Much interest centers in the fight for the various local offices and the candidates for these offices were out early and going from one voting place the other. All are eager for the returns to learn their fate. As stated above the polls will not close till 7:10 o'clock tonight and it probable will be 9 o'clock at least before the city returns are known. In some wards it may be even later.

Many citizens living in other places who still retain their vote in the city are here today to participate in the election and they greeted old friends.

Probably there never was a campaign in recent years where the interest became so pronounced during the last days before the primary. Reports received early this afternoon are that a heavy vote is being polled in Arlington and Fairfax counties.

Lee Trinkle, Jr., Saves Boy's Life.

Wytheville, Aug. 2.—E. Lee Trinkle Jr., young son of Senator E. Lee Trinkle, democratic candidate for governor, proved himself a hero Wednesday afternoon. when he saved the life of Lawrence Stevens, eight years old, after the latter had gone over his depth in Reed's creek, near here. The report of the rescue became known here today. Young Trinkle and the Stevens boy were members of a picnic party which was camping on Reed's creek under the auspices of the local Presbyterian Christian Endeavor society.

According to members of the party, the boys had gone in swimming, and after being in the water for some time, did not notice that their comrade, Lawrence Stevens, had gone over his depth. Young Stevens apparently became badly frightened and was strangling. Several ladies nearby heard his cries and appealed for help. At this juncture young Trinkle without hesitation, leaped into the water, soon had Stevens in his arms and swam with him safely to shore.

Abundant Supply of Pure Water.

Attention is directed by the Alexandria Water Company that the city is fortunate not only in the exceptional quality of the water supplied to its consumers, but in having ample supply stored. regardless of rainfall. It is pointed out by the officials of this company that many cities and towns and even the Capital of the nation are now experimencing a shortage in their supply of water.

5,000 Quarts of Rum Hidden In Haystack Revealed By Flames.

Washington, Pa., Aug. 2.—Several thousand quarts of moonshine whisky were discovered by Constable Dockstar, of Cokeburg, when a hay stack belonging to John Organnischick, near Cokeburg Junction, on the Monongahela and Marianna Rail road, was burned. More than 2000 quarts were picked up by the constable and more were destroyed by the fire. Bursted bottles strewed the ground for several feet around the burned stack, Organnischick was arrested.

It is believed that the stack was fired by boys. The burning hay fired a barn nearby and the Bentleyville Fire Department was called. While the firemen were at work a series of explosions was heard, increasing as the fire progressed until they sounded like machine gun fire. When the fires had been extinguished the hidden moonshine was discovered. Constable Dockstar estimates that there were fully 5000 quarts in the entire cache.

Girl Believed Thrown From Automobile, Dies.

Atlantic City, N. J., Aug. 2.—Succumbing to injuries sustained when she fell or was thrown from a fast moving automobile, Miss Viola Dilks, of Gloucester, died early this morning in the City Hospital. Three men and a girl are held at police headquarters pending an investigation by the detective bureau. County Physician Souder has ordered an inquest to determine the cause of death.

James Pollack, 36; Gus Grater, 42, and William Rigler, 33 all of Gloucester, engaged a car for a run to the shore. The men were accompanied by Miss Dilks and Miss Mary Beckett, of Paulsboro.

They first visited Cape May and other coast resorts, and while on tehir way to this city, in the vicinity of Germania, it is alleged, Miss Dilks was engaged in a fierce quarrel with one of the men in the car. ther coast resorts, and while on man is alleged to have struck the girl several blows.

A Bit of Stevenson.

Gentleness and cheerfulness, these come before all morality; they are the perfect duties. AAnd it is the trouble with moral men that they have neither one nor other. If your moral make you dreary, depend upon it, tehy are wrong. I do not say 'give them up,' for they may be all you have; but conceal them like a vice, lest they should spoil the lives of better and simpler people."

CITY NEWS IN BRIEF

Mrs. George Ballard and son from Marshall, Va., are visiting Mrs. Ballard's sister, Mrs. W. B. Lunsford, in Del Ray.

Mr. and Mrs. J. R. Harding, of Mount Vernon Avenue Del Ray, Va., and their two sons, James and Wilton are spending the week at Atlantic City.

Mrs. M R. Wilkins and daughter, Virginia, returned from Ocean City, Md., yesterday afternoon after a two weeks' visit.

The condition of Henry B. Steiner, who has been ill for several days, is reported to be improving.

Mr. Charles J. Hough, of Pittsburgh, Penn., who has been visiting Mr. and Mrs. W. K. Griffith, on South Fairfax street, left last night for Phladelphia.

Mrs. E. B. Walker and little daughter, Mary, and Miss Annie Moore, left yesterday to spend the month of August with Mrs. Walker's sister-in-law, Mrs. W. W. Thompson, at Herndon.

Miss Katherine Dobson has returned after a two weeks' vacation.

Mrs. E. Bragg and daughter, Miss Ruth Bragg, of North Patrick St., and Mr. Walter Pierpoint, Jr., left today to spend a month at Colonial Beach.

Mr. L. L. Armstead and family left Sunday for Norfolk where they will spend a few days and from there they will go to Raleigh, N. C., Mr. Armstead is the local manager for Swift and Company.

Alexandria Lodge, No. 758, Benevolent and Protective Order of Elks, will give a nexcursion to Marshall Hall Wednesday, August 10. A big time is promised all who attend. There will be special prizes for children and adults.

Mrs. Charles F. Holden entertained at a miscellaneous shower yesterday afternoon at her home in Rosemont, in honor of Miss Mary Moncure, whose marriage to Mr. Francis A. Cox, will take place tomorrow in Christ Church. The house was attractively decorated with cut flowers of various shades. Mrs. Holden was assisted by Mrs. Wilmer J. Waller, who presided at the punch bowl, and the Misses Collins Jones, Josephine Gregg, Elizabeth Warwick, and Margaret Warwick. Among other guests were, Mrs. William A. Moncure, mother of the bride to be Mrs. Edgar Warfield, Jr., Miss Mary Lindsey, Miss Cathetine Waller, Miss Hilda Schneider, Miss Ellen Burke, Miss Roselia Burke, Miss Sarah Kemper, Miss Charlotte Kemper, Miss Margaret Moncure, Miss Mary Roberts, Miss Abbie Hoxton, Miss Dorothy Morton, Miss Louise Griffith and Miss Ellona Eastham, of Huntsville, Tex.

LOOT MAILS OF MILLIONS

Two Arrested In Chicago As Alleged "Brains" of Conspiracy.

MANY INVOLVED

Men Said To Be In Every State. Altered Securities Sold To Reputable Brokers, Also Is Charged.

Chicago, August 2.—Federal authorities this evening arrested John W. Worthington, who is said to be widely known to the police, and Owen T. Evans, his partner, and say they have picked up the "brains" of a gigantic "robbers trust" specializing in mail robberies. It is said the loot obtained in these robberies will run into many millions of dollars and that men in every State will be involved before the entire scheme is laid bare.

Immediately following their arrest, Worthington and Evans were rushed to the county jail in Waukegan and no one was permitted to see or converse with them. Among the cases which the Federal authorities claim Worthington and his associates were connected with, are these mail robberies:

Toledo, Ohio, February 17, 1921, $1,000,000.

Pullman, Ill., August 23, 1920, $100,000.

Dearhorn Street Station, Chicago, April 6, 1921, $350,000.

Mount Vernon, Ill., January 14, 1921, $212,000.

Chicago Avenue Postal Substation, Barch 4, 1921, $50,000.

Toccoa, Ga., September 10, 1920, $300,000.

Council Bluff, Iowa, November 17, 1920, 3$,500,000.

Minneapolis, December 3, 1920, $50,000.

Centerville, Iowa, March 22, 1921, $92,000.

In addition to this list, the Government agents lay the recent theft of $3,000,000 Sinclair oil stock in New York city at the door of the "trust."

Indictments against Worthington, Evans and 18 other men, whose names are suppressed for service, were voted by the Federal grand jury here. Worthington had organized a concern here, known as the "Central Securities Company," and which, for a time maintained offices at 19 South LaSalle street. Here, it is claimed, the conspirators disposed of the securities they had stolen to reputable brokers and investors. Worthington, it is now said, was given a hint of the inquiry, for his individual office here was recently closed.

Among other charges is one that the conspirators altered many hundreds of thousands of Liberty bonds so they could not be identified in order to make them salable without detection. The same course was taken with securities and papers that could be altered readily.

"This is one of the biggest roundups this office has ever tackled," said First Assistant United States Attorney John Clinin. "It extends over the entire country. The arrests of Worthington and Evans, although of the utmost importance, do not scratch the surface. We have been working on this case for a long time and rested these two men today because we felt it would be unwise to leave them at liberty any longer."

Caruso Dies

Greatest of Tenors Is Victim of Peritonitis.

Naples, August 2.—The golden voice of Enrico Caruso is stilled forever. The gallant and spectacular fight which the world-famous tenor has waged against disease ended early this morning when Caruso died here from acute peritonitis. Mrs. Caruso was at the bedside.

Caruso's death was not unexpected. The attending spetialists had announced last night that the patient was sinking rapidly and that he would barely survive another 24 hours, even if he held out that long.

Murderous Motorists.

Massachusetts writes this significant comment about a practice that is all together too common in all sections of the land:

"I have been stirred to anger by teh deliberate destruction of animal life upon the road by motor cars. There may be times when it's impossible to avoid hitting hens, dogs, etc., without danger to occupants of the car or to the cars approaching, but in my own experinece I have never seen the time when a flock of hens and most dogs and cats, would not leave the road if the motor horn were persistently blown in time.

"I have seen cars turn deliberately out of their way to pursue and kill hens, dogs, cats, turtles, etc. teh act accompanied by the luaghter and approval of the occupants of teh car. I wondered what psychological effect these acts had on the perpetrators, and if those who knocked down children and old people and then ran away came from this class!"

WASHINGTON Day by Day

(From our special correspondent)

Washington, Aug. 2.—It was declared at the State Department today that negotiations with Germany for a new treaty of peace are in a condition entirely satisfactory to this government. Formal announcement by the Department of the course of the negotiations is expected within a short time.

Announcement of the course of the negotiations is being deferred, it was learned, because this government desires to remove, prior to publication of the treaty arrangement, every possible obstacle to complete concurrence in the treaty arrangement by every interested party.

The Gazette correspondent has also been informed that Germany has agreed to every proposal of the United States in regard to a new treaty and is willing to reaffirm in a new pact, every specific grant and cession of the Treaty of Versailles in which the United States is interested.

There seems to be little doubt but that this government has definitely cast off the Versailles treaty and will enter into a separate arrangement with Germany, hoping at the same time to conserve every right, grant and interest of the Treaty of Versailles in which the United States finds itself to be a part.

The delay spoken of by the State Department is understood to hinge on the assent of the Allied governments to the arrangements being made in the new treaty and this assent must be forthcoming before definite news of the new treaty is given to the public.

There is good reason to believe that the Allied governments are being consulted by the United States and it is understood that they will express complete satisfaction with what is being done by this government in arranging for a separate treaty with Germany.

In the meantime, Germany is represented as being most anxious and willing to enter into any kind of reasonable treaty with the United States and is prepared to make liberal concessions in the interest of an early treaty arrangement that will permit the clearing away of many of the present intangible barriers to trade.

The business decline in the United States which has been steady since December 1, 1919, has reached its lowest level and from now on general improvement should be noted that will gradually put things back to normal.

This is the deduction of government experts from facts and figures in their possession which are to be made public shortly through various sources.

Contention of the experts that business should gradually become better from now on is based on four sets of figures from which the following conclusions are drawn:

1. Returns from the savings banks show that savings have largely increased, thus indicating no lack of confidence by the public in the banks.

2. Production statistics from all over the nation show that the efficiency of labor has greatly increased. This is shown from the fact that while there is no decrease in unemployment, there is a noticeably large increase in production.

3. Figures prepared by the Department of Agriculture show that there will be a good crop generally in the country this year and that this crop will be produced for very much less than last year's crop, making it possible for the farmers to demand less for their products and still make a profit.

4. The general banking situation has eased up, as shown from the statement given out last week at the White House, showing the reductions in rediscount rates by the various fed eral reserve banks.

Government officials contend today that the country may look for a gradual revival of business all along the line within a short time and that the nation should return to nearly normal conditions sooner than had been anticipated.

The efforts on the part of certain German interests to obtain the return of German-owned property, money and securities seized during the war have gained fresh impetus in this country since President Harding signed the resolution of peace with the former government of the Kaiser.

A movement is now on foot backed up by a substantial legal talent to compel the Alien Property Custodian to turn back this German property and securities which the United States government still holds in trust until a new treaty between this country and Germany is negotiated and arrangements made for the disposition of the property now held by Uncle Sam.

According to those having the matter in charge, there are about 23,000 properties and patents of an approximate value of $350,000,000 not returned to original owners out of a total of 40,000 trusts worth $1,000,000,000 seized by the Alien Property Custodian during the war.

Just when "Laddie Boy" President

Alexandria Gazette AND VIRGINIA ADVERTISER

PUBLISHED EVERY AFTERNOON Except Sunday By the Alexandria Gazette Corporation 217 King Street, Alexandria, Va.

THEODORE HARRIS, Editor

Entered at the Postoffice at Alexandria, Virginia, as second class matter.

TODAY'S THOUGHT Why is it that we entertain the belief that for every purpose odd numbers are the most effectual?

Pling the Elder.

SHEPPARD TOWNER BILL

Congresswoman Robertson of Oklahoma, has given an interview to a Washington paper, in which she terms the Sheppard-Towner maternity bill a piece of "class-legislation of sex," and describes it as potent with "paternalistic possibilities of incalculable danger." We are afraid that Miss Alice's love for alliteration has led her into foolish expressions of untenable views. She has issued a statement "to the American woman voter as an individual,"—if you know what that means. She says: "I was one of those millions of conservative, home-loving women who never asked to vote, who dreaded new and heavy responsibilities, but God in infinite wisdom, placed upon us the burden of suffrage." Can this be possible? That after centuries of treatment as a chattel or a slave, any woman should now discuss her enfranchisement as "a burden of suffrage?" We fear Miss Alice has not had the leisure, amidst the multiplicity of her duties in conducting a successful and prosperous restaurant in Oklahoma, to study with the care it deserves the all-important question of the suffrage of women.

As to paternalism, a government that is of the people cannot be paternalistic. Every measure it legislates for their benefit is adopted with their consent and with their co-operation; and we might even say, by their own initiative. Certainly two of the wisest and most beneficent institutions in our country, the public schools and the post-office, are of this nature. In a republic you may speak of fraternalistic, but hardly of paternalistic measures.

Secondly, we doubt if Miss Alice is qualified to speak of the duties and dangers of maternity half so competently as those millions of her married sisters who in behalf of all womankind are now urging the passage of this bill.

The fact that the various women's organizations all over the country are supporting the Sheppard-Towner Bill with unanimity, should alone entitle it to most respectful consideration. We believe their arguments are well-reasoned, and, in fact, irrefutable.

LIQUOR IMPORTS JUMP $4,500,000 IN YEAR

Intoxicating beverages imported into the United States during the past fiscal year were valued at more tahn $5,000,000, as compared with about $500,000 in the previous year, according to reports issued last night by the Commerce Department

Wine was the largest item in the list of intoxicants entering during the year, amounting to more than 2,000,000 gallons, as compared with 28,000 in 1920. Whisky came in larger quantiites in the past year, with a total of 195,000 gallons, as compared with 32,000 gallons in 1920.

Great Britain shipped in most of the whisky, France virtually all of the champagne and Spain the great er part of the other wines.

SHOOTERS GET MAKINGS FOR BLACKBIRD POTPIES

Reading, Pa., Aug. 2.—Guns barked in every corner of Berks County today when the 1921 blackbird season opened.

They were slain by the thousands They fatten on the farmers' grain, and more interest was taken in the slaughter than in the opening of the rabbit season.

Last night police made their first attack upon tens of thousands of blackbirds which each evening annoy residents in East Reading. The Mayor had refused citizens permission to shoot in the city limits, but the slaughter by the police was terrific.

RUN ON BANK NEARING END.

Boston, Aug. 2.—Belief that the run on the Boston Five Cent Savings Bank, which began Friday, was enaring an end was expressed last night by officials of the company. When the bank closed at the regular hour only 25 persons were in line to make withdrawals.

Joseph Holmes, treasurer of the bank, said the total withdrawals today were less than those of Saturday, when nearly $700,000 was paid out, and that deposits were approximately $25,000 a considerable increase over Saturday.

URGES LEVY OF $10 ON AUTOS

(Continued from page one)

Discussion brought out the fact that Mr. Fordney thinks it may be possible for the Government to get along on $4,000,000,000 instead of the sum named by Secretary Mellon, but when he was asked whether that meant that the majority members of the committee would disregard estimate given by the Treasury Department of the amount of money needed, he replied in the negative and expressed the hope that the two sides could get together and that possibly the Treasury would come around to the committee's way of thinking.

Representative Garner, of Texas, the ranking Democratic member the committee, attacked the Treasury Secretary's proposals, declaring that every one of them constituted a "shifting of the tax burden from the classes to the masses."

Representative Gardner said the Government expenditures in excess of that sum next year would be a "wilful, wicked waste of public funds, wholly indefensible." He asserted that the Federal establishment could be run for $3,500,000,000, adding that Representative Madden, of Illinois, the new chairman of the Appropriations Committee, had declared in an address that this sum should be sufficient.

Mr. Fordney still insists that $500,000,000 can be saved in the tax bill this year, and he is fighting for a $4,000,000,000 limit in order that such a showing can be made. For the same reason he and other Republican leaders are dissatisfied with some of the tax proposals made by Secretary Mellon as necessary to provide funds for the total of disbursements that they regard as certain to be made during the fiscal year.

There are serious objection to making the corporation tax 15 per cent. or 16 per cent. in connection with wiping out the excess profits taxes and the possible wiping out of capital stock taxes on corporations. While certain of the Republicans fear that lowering the surtaxes so much will be unpopular with the masses. Chairman Fordney is anxious to relieve, if he can, the corporations of some of the taxes that were laid on them during the war. He said today that he did not think they should pay as much in peace as in war.

Tomorrow Secretary Mellon will submit to the committee a revised set of estimates. Mr. Fordney would not make public the memorandum submitted by the Secretary today, because he wanted estimates as of dates other than those used in today's memorandum.

SPORTS

On Baggett's field Sunday, the Dreadnaughts staged one of the most interesting and thrilling games of the season. The D's defeated the famous Clarendon club my a score of 5 to 4. This was the second game of the series, by the winning of which the D's won the right to call themselves the amateur champions of northern Virginia. The Clarendon club came down Sunday loaded for the D's but failed to load up heavily enough to defeat Alexandria's peerless team. Frye, pitching for the locals showed the Clarendonians a thing or two about the game. The several hits which were slipped out on him were so well scattered that they did no great harm.

Ludlow's hitting was, as usual, the feature of the game. At only one time did things seem a bit shakey for the locals and that was in the ninth with two out, three on bases and two strikes on Jackson. The score stood 5 to 1. Jackson took a healthy swing at the pill and by accident or otherwise landed it for a long three-bagger, thus scoring three men. The next man up lined a hard one to center field where "Slim" Giles was (not asleep.)

The fielding of Norris and the hitting of Jackson were the features of the game.

Batteries: D. A. C., Stevens and Frye; Clarendon, Holden, Von Hebules and Miller.

Next Sunday the Dreadnaughts will play the Rex club of Washington. This will be the second game of the series. Rex having defeated the locals the last game. A great game is anticipated. This series with Rex will decide the District of Columbia amateur championship.

ELKS' EXCURSION

AH! EPSOM SALT LIKE LEMONADE

You can now buy epsom salts without the awful taste and nausea, by asking your druggist for a handy package of "Epsonade Salts" which looks and acts exactly like epsom salts, because it is real epsom salts combined with fruit derivative salts, giving it the taste of sparkling lemonade.

Try it when bilious, headachy or constipated. Costs but a few cents.

Warning! Don't just ask for "tasteless epsom salts" or you may get a soda imitation. Always ask for "Epsonade Salts" and look for the name, American Epsom Association.

National Facts and Figures

The fire losses in the United States in 1920 reached a total of more than $500,000,000.

The sugar beet acreage in the United States last season was the largest on record.

In proportion to population, the United States has thirteen times as many automobiles as Great Britain.

An increase of $32,994,339,687 was added to the value of the farms of the United States—meaning, value of land and buildings—during the ten years ending Jan. 1, 1920.

Eighty-two per cent of the people who died or were injured by fire in this country last year were mothers.

According to suicide statistics in the United States the day on which most acts of self-destruction are committed is Monday, between 9 and 12 p. m.

There are nearly 10,000,000 bachelors in the United States, counting all unmarried males more than twenty years old.

The racial composition of the population of the United States in 1920 shows the country to contain 94,822,431 white persons, 10,463,013 negroes, 242,959 Indians, 111,625 Japanese, 61,686 Chinese and 9,485 others.

There were 2,090,132 more males than females, in the United States during 1920, making the ratio 104 to 100, as compared with 106 to every 100 females in the period between 1900 and 1910.

Five thousand tons of tin are consumed in this country annually for "tin foil," which is now employed so extensively for wrapping chocolate, cigarettes and many other articles of merchandise. Another 4,000 tons are used for the collapsible tubes that hold dental creams, toilet creams, artists' moist colors, etc.

VILE LIQUOR ABOUNDS, HEALTH CHIEF WARNS

Atlantic City, N. J.—Dr. Royal S. Copeland, chief of New York city's Board of Health, urges care in food and drink, especially the latter, during extreme heat waves such as New York has just endured.

"There is so much vile liquor going about now," said Dr. Copeland on his week end visit here, "that one should be very careful. My advice is that moderation in both eating and drinking be exercised. During a heat wave people should be very careful as to what they put in their stomachs."

WOMEN! BUY NO DYE BUT "DIAMOND DYES"

Unless you ask for "Diamond Dyes" you may get a poor dye that streaks, spots, fades and ruins your goods. Every package of Diamond Dyes contains simple directions for home dyeing or tinting any new, rich fadeless color into garments or draperies of any material. No mistakes! No failures!

A CLASSIFIED AD IN THE GAZETTE ALWAYS PAYS. EVERYBODY READS THEM.

SHOOTS RIVAL— TAKES POISON

Muscatine, Iowa, Aug. 2.—F. C. Swan, 71 years old, shot and killed George Volger, 36 years old, and then walked to an undertaker's and took poison, his body being found several hours later.

Business rivalry was believed to have caused the tragedy, both men being jewelers.

MISSING NURSE FOUND DEAD

Providence, R. I., Aug. 2.—The body of a woman, believed to be that of Miss Mollie Oates, of Huntington, L. I., nurse who disappeared from her state room on the steamer Georgia, between New York and this city Friday night, was found thrown up against a sea wall in Warwick yesterday afternoon.

Absence of water in the woman's lungs and discovery of wounds in her head, led the authorities to suspect foul play.

Its clean, white-tipped flame gives the correct heat instantly

THIS is the reason why cooking with a New Perfection is so easy and successful. You can regulate the heat accurately to within a few degrees every time you bake a particular kind of pastry or cook a roast.

Instead of the old way of "rushing the fire" and more often than not burning your cakes, a little experience with a New Perfection will show you how easy it is to get successful results uniformly. You can adjust the heat in a second where it takes several minutes with the draft and damper method of a coal range.

Over 3,000,000 housekeepers who use the New Perfection enjoy the relief that it affords from coal and wood carrying and all the litter and bother that go with them. Their kitchens are more comfortable to work in, too, especially during warm weather.

Another feature of the New Perfection is its long blue chimney. This drives clean, scotless heat against the cooking utensils with an extremely small loss by radiation. You can always see the flame through the little mica door.

The four-burner size equipped with warming cabinet and New Perfection Oven is the most popular. But you can obtain a five, three, two or one-burner size if you prefer.

Aladdin Security Oil gives the best results uniformly. Use it all the time.

New Perfection Oil Cook Stoves are sold at most hardware, furniture and department stores.

VALUING FOOD VALUE

It isn't how much you eat that counts---but WHAT you eat. In other words, it isn't bulk---but essential quality that supplies the nourishment.

CORBY BREAD

isn't simply well made bread. It is scientifically made. Every ingredient is selected for its nutritive qualities; and for its purity. The mixing of the doughs is done by the Corby Patented Process which insures the development of ALL the gluten content of the flour. And then to make sure of maximum nutritive quality, unusual quantities of rich milk are added.

Thus it is that in CORBY BREAD you have perfectly balanced food ration.

100% Pure, and
100% Nutritious

CORBY BREAD is made right here in Alexandria and delivered fresh from the ovens to your grocer and delicatessen.

Pure as Mother Made It

Announcing

The New Buick "Four"

VALVE-IN-HEAD BUICK MOTOR CARS

Here is a Thoroughbred Four Completing the Famed Buick Line

The new Four-Cylinder Buick, here announced, is a thoroughbred—a pedigreed car well worthy of its name.

Down to the very last detail, this new model possesses every quality of enduring serviceability, complete comfort, and distinctive appearance that have always characterized Buick automobiles.

The advent of this new Four makes the Buick 1922 line complete. It offers to purchasers of a car of this size all the quality and service that go to make up the name "Buick."

The Buick Valve-in-Head Engine—A Power Plant That Has Proved Itself

The engine, of course, is of the time-tested Buick Valve-in-Head type. The year-after-year concentration of Buick's engineering skill and experience in building Valve-in-Head motors assures the highest standard of performance obtainable today.

Every other unit is of a quality equal to the power plant. The whole assembly constitutes a perfectly balanced chassis which is of typical Buick construction. The equipment of Cord Tires is merely evidence of the quality which characterizes the entire car.

Two open and two closed body types mounted on the *Buick built chassis* comprise the new series.

Even the most casual inspection of the details of design and workmanship will reveal that full measure of quality which motorists have learned to associate with Buick.

A Great Car—Prices Make It An Even Greater Value

Obviously a high grade automobile—a genuine Buick production—the prices listed below make this great Four even greater. A value such as this is possible only because of the combination of Buick engineering skill devoted to the one ideal of quality, Buick production facilities developed over nearly a quarter of a century, and Buick's nation-wide distribution and service organization.

The Buick Motor Company is proud of the Buick Four. It has the faith of long experience in this newest addition to its line. It places upon it unreservedly the Buick guarantee carried by every Buick automobile produced. That its confidence is well placed is manifested not only by the keen interest with which motorists have awaited this announcement, but also the advance orders placed by distributors, dealers, and the general public.

WELLINGTON'S VICTORY

A letter from Glasgow mentions the rumor of dispatches having arrived in England from the Marquis of Wellington, with information of the defeat of the French with the loss of 20,000 men.

NAPOLEON'S VICTORY

Paris, May 26, 1813.

The Empress this day received a report that the emperor on the 20th, had gained a fresh victory over the Russians and Prussians at Bantzen, the details of which are expected immediately.

Mr. E. Mix, of the navy, a gentleman of ingenuity and enterprise has been for several weeks past preparing Torpedoes to attempt the explosion of some of the enemy's shipping in Lynhaven Bay (Norfolk Herald, July 27, 1813.)

Since the torpedo explosion on Saturday night the Plantagenet has been guarded by a 74 and two frigates, which with 2 or 3 tenders comprise all the shipping at present in Lynhaven.

LIVE NEWS
from
ROSEMONT DEL RAY
BRADDOCK MT. IDA
ST. ELMO.

Mrs. Hugh Petty, of t. Elmo, went to Stevensburg, Va., on Saturday to visit her mother, Mrs. Jack Mitchell

Mrs. Frank Norton, of St. Elmo, with her two children, left Sunday for two weeks' visit among relatives in Culpeper, Va.

Mr. and Mrs. Keys and children made a motor trip to Richmon, Va., to spend the week end with friends.

Miss Ella E. Brown, of Mt. Ida, and Miss Laura L. Willis, of Washington, left Sunday for an extended trip to Denver, Salt Lake City and other points of interest in the west

Miss Elizabeth Varney, of St Elmo, is spending a few days this week as the guest of her aunt, Mrs. John Gary, at Chesapeake Beach.

Mr. R. L. Tate, of Del Ray, has gone to Chicago on a business trip which will probably require six months.

Miss Minnie Wilcox has returned from Alexandria Hospital to her home in Del Ray, and is recovering from the injuries received early last week while riding in a motorcycle.

Mrs. W S. Powers and children, of Del Ray, are visiting in her native town of Barnesville, Md.

Alexandria district conference of the Methodist Episcopal Church South convened today, at Sudley, Va., for three days session, with Dr. H. P. Hammil presiding. Rev. J. R. Wood, Miss Naomi Kidwell and Mr. D. C. Chambers are in attendance from the Del Ray Church

Mrs. Ida Grinals, of Norfolk, Va., is a guest of Mrs. Charles E. Cox, in Rosemont.

Mrs. R. J. Yates entertained Miss Elizabeth Gatlin from Washington, at luncheon last Friday. Miss Gatlin is one of the teachers at the Mt. Vernon Place Church vacation school and was expecting to meet some of the mothers from Del Ray and St. Elmo, at Mrs. Yates' home in Del Ray, but the heavy down pour prevented any of them from meeting her.

Rev. J. L. McCutcheon, from Leesburg, Va., was the preacher at both morning and evening service at the Del Ray Baptist Church, on Sunday. A large congregation was present for each service.

Mrs. Harlow Stevens entertained several young people from Washington and Mt. Ida at an informal dinner Sunday evening in her home at Mt. Ida. The occasio was for the purpose of introducing Mr. Chester Tolman who has recently come to Mt. Ida.

Mrs. Harry Porterfield, from Birmingham, Ala., is the guest of her sister, Mrs. D. C. Chambers in Mt. Ida.

In spice of the very inclement weather of Friday, the lawn fete of the Jr. O. U. A. M., which was held in Del Ray Thursday, Friday and Saturdays evenings of last week, was a gratifying success, and a nice start was made towards the building fund. The committee wish to extend their thanks to the public for their liberal patrongae and to all who assisted in any way. They will probably hold another lawn fete in St. Elmo, about the 29th of this month, announcement of which will be made in this column.

The congregation of Del Ray M. E. Church heard a good sermon from the text in Genesis 32:24 on Sunday morning, and another sermon equally as good at night from second Kings 5:1. The pastor, Rev. J. R. Wood, delivered both sermons.

Miss Elizabeth Chambers has returned from a visit to Barnesville, Md., to her home in Mt. Ida. Mr. D. C. Chambers and daughter, Martha, have also returned from an auto trip of ten days during which time they visited about forty two towns of Virginia in the interest of his business.

Irene Michebach celebrated her twelfth birthday with a delightful little party Friday evening at her home in Del Ray. There were 30 some guests present, girls and boys from Del Ray and St. Elmo who enjoyed the games, music and refreshments served at tables on the porch.

Elizabeth Howser who has been visiting in Del Ray, returned Saturday to her home in Ashburn, Va.

The ladies guild met last night in Emmanuel Episcpal Church in Braddock. Only routine business was transacted.

Mr. G. Perry Sinclair, from New York City, is visiting for some time in the home of his brother, Mr. C. A. S. Sinclair, in Braddock Heights

Mr. Fred Michelbach and daughter, Mrs. David McPherson, after visiting Mr. Frank Michelbach, in Del Ray, several days last week have returned to their home in Princeton, N. J.

Mrs. Carroll F. Kines who has been visiting her parents, Mr. and Mrs. James Yowell, in Rectortown, has returned to her home on Hume Avenue, St. Elmo.

Rev. O. C. Beall Mayor J. W. Varney and Mr. J. A. Carpenter, are serving today as judges of the election for Jefferson District.

Mr. Benton Gayle, on his way from a tour of Canada to his home in Fredericksburg, Va., was the week end guest of Mr. J. H. Rollins on Raymond Avenue, St. Elmo.

Mrs. Carson Hitt, of Del Ray, left Saturday to visit friends and relatives in Stevensburg and Rappahannock, Va.

A two auto party consisting of Mr. J. Hugh Rollins and family with their guests, Miss Eula Rollins and Mr. Edward Dwyer, and Mr. Thomas Theimer, with Mr. and Mrs. Carroll F. Kines, enjoyed a days outing on Sunday, going first to Great Falls where they ate a picnic dinner, then on through Loudoun county, stopping a while in Herndon, and finally eating supper on the roadside somewhere on the way home to St. Elmo.

Kidney and Bladder Troubles Conquered or Money Back

For 40 years, said Dr. Carey, I have been prescribing Marshroot for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price, on the money back if dissatisfied plan.

Beware of kidney disease—thousands die of it every year who ought to be enjoying the blessings of life and health. Watch the symptoms. If you have specks floating before the eyes, puffy eyes, clammy feet or moist palms, backache or sideache you ought to get a bottle of Dr. Carey's Marshroot right away.

It has wonderfully benefitted tens of thousands of cases of kidney and bladder troubles and is the medicine you can always depend upon. Results are guaranteed.

NOTE—Dr. Daniel G. Carey was a practicing physician for many years and his great Prescription, Marshroot aided thousands of sufferers from kidney and bladder troubles. Hereafter you can always get this effective Prescription at all reliable pharmacies the country over. Keep in mind the name, Dr. Carey's Marshroot prescription No. 777. No other medicine can take its place.

STOP THAT ITCH! Purify Your Blood

Eczema, tetter and many other skin troubles are due to disordered blood. If you are afflicted with skin trouble, don't suffer the maddening torture longer, but start right away to purify your blood with S. S. S.—the standard blood purifier for over 50 years.

For Special Booklet or for individual advice, without charge, write Chief Medical Advisor, S.S.S.Co., Dep't, 430, Atlanta, Ga. Get S. S. S. at your druggist.

S.S.S.

The Standard Blood Purifier

DODSON KILLING USE OF CALOMEL

Says Drug is Mercury and Acts Like Dynamite on Your Liver

Dodson is making a hard fight against calomel in the South. Every druggist has noticed a great falling off in the sale of calomel. They all give the same reason, Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor an dambition.

OH! MY BACK!

The Expression of Many a Kidney Sufferer In Alexandria.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Alexandria proof:

Mrs. M. E. Williams, 523 Oronoco St., says: "I was so bad off with pains in my back I was about all worn out. I put my hands on my back trying to relieve the pain through my kidneys. When I bent over I could hardly straighten again. This weakened me very much and made me so nervous I could hardly stand the least noise. Dizziness affected me when I bent and everything would turn black. My kidneys didn't act at all right. I tried different things but nothing did me any good until I started using Doan's Kidney Pills. I kept getting better right along and was soon cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Williams had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

SYMPTOMS WOMEN DREAD

Mrs. Wilson's Letter Should Be Read by All Women

Clearfield, Pa.—"After my last child was born last September I was unable to do all of my own work. I had severe pains in my left side every month and had fever and sick dizzy spells and such pains during my periods, which lasted two weeks. I heard of Lydia E. Pinkham's Vegetable Compound doing others so much good and thought I would give it a trial. I have been very glad that I did, for now I feel much stronger and do all of my work. I tell my friends when they ask me what helped me, and they think it must be a grand medicine. And it is. You can use this letter for a testimonial if you wish."—Mrs. HARRY A. WILSON, R. F. D. 5, Clearfield, Pa.

The experience and testimony of such women as Mrs. Wilson prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound will correct such troubles by removing the cause and restoring the system to a healthy normal condition. When such symptoms develop as backaches, bearing-down pains, displacements, nervousness and "the blues" a woman cannot act too promptly in trying Lydia E. Pinkham's Vegetable Compound if she values her future comfort and happiness.

IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF VIRGINIA.

Virginia Shipbuilding Corporation,

Plaintiff, vs. United States Shipping Board Emergency Fleet Corporation and the Groton Iron Works, a Corporation organized and existing under the laws of the State of Maine, having its principal office and place of business in the town of Groton, County of New London, Connecticut.

MEMO.

The object of this proceeding is to have a settlement of the accounts between the plaintiff, Virginia Shipbuilding Corporation ,and the United States Shipping Board, Emergency Fleet Corporation and in connection therewith a settlement of accounts between said United States Shipping Board Emergency Fleet Corporation and the said Groton Iron Works, so far as the settlement of accounts between the latter two corporations may be necessary or practicable or material in settling the accounts between the plaintiff and said United States Shipping Board Emergency Fleet Corporation.

An affidavit having been made and filed that said Groton Iron Works is non-resident of this State and that service cannot be had upon it in this State, and that its last known Post Office address is the town of Groton, County of New London, Connecticut, it is ordered that said Groton Iron Works do appear in this Court in said cause within ten days after due publication hereof and do what may be necessary to protect its interest in this proceeding. It is further ordered that a copy hereof be published once a week or six successive weeks in the Alexandria Gazette, a newspaper published in the City of Alexandria, Virginia, and that a copy be posted at the front door of the Court House of the Corporation Court of the City of Alexandria, Virginia and at the front door of the Post Office building in the City of Alexandria, Virginia, wherein the United States District Court for the Eastern District of Virginia, is held, on or before the 18th day of July, 1921, that being the next succeeding rule day after this order is entered, and that a copy hereof be mailed to Groton Iron Works at its last known Post Office address in the town of Groton, County of New London, Connecticut.

A Copy Attest,
JOSEPH P. BRADY, Clerk.
By Wm. P. WOOLLS, Deputy Clerk
J. K. M. Norton,
W. W. Scott,
Alexandria, Virginia.
Attorneys for the plaintiff.

NOTICE TO ADVERTISERS.

All copy for advertisements measuring more than a quarter-page, must be in this office not later than 2 p. m., of the day preceding publication. All copy measuring a quarter-page or less, must be in this office not later than 9 a. m., of the day of publication. No exceptions to this rule will be made. 167-tf

WASHINGTON
Day by Day
(Continued from page one)

Harding's famous airedale terrier, thought himself the master of the situation at the White House and the idol of the hundreds of sight-seers who daily apply for admission to the Executive Mansion, along comes "Ah Boy" the nglish bull dog who threatens to supplant "Laddie Boy" in the affections of the White House calling list.

"Ah Boy" who was born on March 4 last, was presented to the President when two months old. "Laddie Boy" did not relish any intrusion from the newcomer into the Presidential precincts. So, up until a few days ago, the two canines have been kept apart. But under the careful tutelage and rather strenuous training of Wilson Jackson, the colored "Master of the Hounds" at the White House, the two dogs are now permitted to associate with each other just the same as any perfectly good brothers should do. "Ah Boy" is to be the special pet of the First Lady of the Land, while "Laddie Boy" will continue to entertain the President when the latter is not engaged in official duties commanding his attention.

John G. Emery, CoCmmander of the American Legion, is determined that no pardon shall be granted to Eugene V. Debs, the Socialist leader now serving a term in the penitentiary at Atlanta for violation of the provisions of our war measures.

Emery has telegraphed President Harding in effect that the American youth who fought and bled in the trenches in France in order to put an end to German domination in world affairs would consider any steps taken in the direction of a pardon for Debs as an insult to the manhood of this nation.

In the meantime, Attorney General Daugherty has been considering the case of Debs from every angle. He had th former candidate for President on the Socialist ticket make a trip from Atlanta to Washington not man ymanths ago for the purpose of getting first-hand information on some points that were not entirely clear in the mind of the chief law officer of the government. Daugherty only this week, told your correspondent that it might be two or three weeks before he would be ready with his report on the Debs case. The President is waiting to hear from his Attorney General before disposing of the matter. The White House is being importuned from Socialists all over the country to order the release of Debs from prison.

NOBODY LEFT TO CLEAN BODY OF FALLEN HERO

Hazelton, Pa., Aug. 2.—When the body of John Henry Deisenroth, Hazelton boy killed in France July 15, 1918, while fighting in Company L, Thirtieth Infantry, Third Division, was delivered here today, consigned to his mother, no family home could be found. His mother died some time ago. The casket is at the morgue until relatives shall claim it.

Miller On Trial Of "Pot of Gold."

The $105,000 "pot of gold" that has figured so largely in the escape of Grover C. Bergdoll, has been demanded by the Federal government.

Col. Thomas W. Miller, alien property custodian, Friday informed Chairman Peters of the special House committee that has been investigating the Bergdoll escape, that he has demanded an accounting of the money from Mrs. Emma C. Bergdoll's, the slacker's mother.

The House committee at its final hearing last Monday formally requested the alien property custodian to secure an accounting of the "pot of gold" fund.

The House committee has established the fact that Bergdoll did not carry the money with him when he fled. Mrs. Bergdoll insisted on the witness stand that the money was still buried, but steadfastly refused to say where or give any accounting of it.

The committee at an executive meeting Friday, reviewed the report of its investigation. At the meeting Representative Johnson, Democrat, of Kentucky, informed his colleagues that he would submit a minority report.

Enjoy Camp Life.

Boys at Camp Rust Witness Flag Raising.

Reports of visitors returning from Camp Rust indicate that the Y. M. C. A. boys under Camp Director Wallace are having a wonderful time in their splendidly laid out camp on the hillside near Goose Creek. An interesting ceremony marked the first flag raising which took place Friday morning. The youngsters, lined up in front of their tents, stood at attention during the singing of "America," while the mascot of St. Paul's Troop, Jack McCullough slowly raised "Old Glory" to the top of the hickory flag staff which by much hard work had been hewn from the woods and erected the afternoon before.

Thursday, which happened to be Secretary Wallace's birthday, was made a red letter day by the arrival of a large freezer of ice cream and homemade cakes, sent by friends of the "Y" That evening motion pictures were shown to the boys and many friends from the nearby countryside. D. N. Rust, by whose courtesy the boys are enjoying camping privileges was one of the interested audience. Pictures will be shown again this evening, the current for the camp lights and pictures being secured from the plant of the Leesburg Hydro-Electric Power located nearby.

An American Doughboy in France

From Camp Mills to the Rhine

By ELLIOTT F. HOFFMAN
(Historian of Alexandria Post, No. 24, American Legion.)

(For the Alexandria Gazette.)

At 1 o'clock a. m. of a hot July morning in the year 1917, several thousand American boys, sleeping restlessly in their tents ,dreaming of home and pleasures that were being denied them in the service of their country, were rudely awakened from their dreams by the blast of a raucous whistle, and as they sprang from their beds, came to the full realization of the fact that they were at last ready to start in pursuit of the "Terrible Hun."

It meant the start of a long journey, leaving home and friends, and for some of them a journey into the Great Beyond. It was the beginning of the journey from Camp Mills, Long Island, to Coblenz, Germany—a journey that was fraught with such terrors and dangers as only those who were there can realize.

After a snack, consisting of two ham sandwiches and a cup of coffee, we started for the Long Island railroad station, where the special train in waiting conveyed us to the docks of the East River ferry. From here we steamed to the long line of waiting transports. As we lined up to pass from the ferry to the British transport, it was almost tearfully that we saw awaiting us those angels of mercy, the women of the American Red Cross. They served us with sandwiches, cakes, chocolate and hot coffee, and each man was given a post card to be sent to his parets. These cards were held, and as soon as word of the arrival of the transport safely overseas reached this side, the cards were then forwarded to our homes.

Every inch of space aboard the transport was utilized as sleeping quarters, even the decks being used for beds. Meals were served twice daily, and although limited in quantity, were of a very substantial quality.

At o'clock the next morning the transport moved slowly out its berth amid the cheers of the thousands of commuters on their way to New York on the passing ferries, but silence reigned supreme among the boys on board the transport. We dropped anchor at Ambrose lighthouse until 1 p. m. Then we took our position with a group of twelve other transports, headed by an American battleship and cruiser, with an observation balloon overhead. Thus began the journey.

Fairly good time was made by the fleet until the seventh day, when the ships began to slow down and began a zig-zag movement, which we were told was to serve as a double protection from submarines. On the ninth day we were nearing the English coast, and on this day about twenty-five sub-chasers hove in sight and made a complete cordon about the convoy. The fleet was then split in half and part of it conducted to La Havre, France, while the other half continued on its way to Birmingham, England. I remained with the other portion of the convoy.

The sun was shining brightly on that beautiful August Sunday afternoon as our ship warped into the Loverpool dock. We were given immediate orders to disembark, and through the streets of Liverpool to the Great Eastern Railway station, where we were met by the British Red Cross, who served us with cakes and hot coffee, and gave each man an engraved greeting card from the King of England.

At 6 p. m. that afternoon we entrained on those famous little British compartment cars for a camp in Manchester, which for some unaccountable reason was called a rest camp. The rest was evidently intended for our digestive systems, as food was a scarce article there. After two days of so-called "rest," we started on the five-mile hike from Manchester to Southampton, where we boarded an American ship and sailed down the submarine-infested English Channel to the beautiful city of La Havre, France, where we camped for the next two days. "Fritz" manifested a most cordial welcome in the form of an air raid. At 2 a. m., at the sounding of the air raid signal, we were hurried to trenches, where we sought shelter for a period of an hour and a half. The next morning we boarded those cute little French cars, marked "8 horses or 40 men," and traveled, 32 to a car, to our training area near Tanlay, France, a small town about 100 kilometers from Chaumont, the general headquarters of the American Expeditionary Forces.

(To be continued.)

DODGE BROTHERS APPOINT .. DEALER.

J. M. Duncan Will Sell Popular Detroit Car in This Territory

Announcement is made by Dodge Brothers. Detroit, of the appointment of J. M. Duncan as their dealer in this city. Mr. Duncan will occupy the garage 125-133 on N. Pitt street with a complete salesroom and service station. His territory includes Alexandria city, Fairfax, Prince William, Fauquier and Arlington Counties.

The remarkable popularity of the Dodge Brothers Motor Car has caused automobile men all over the country to clamor for sales privileges, but Dodge Brothers policy of quality in selling methods, as well as quality in the car, requires a painstaking investigation in every instance before a selection is made. In Mr. Duncan Dodge Brothers have a dealer on whom they believe they may rely for both progressiveness and fair business methods.

The prompt manner in which Dodge Brothers assumed one of the foremost positions in the automobile industry is regarded as a striking testimonial to the high regard in which their name was held by the public even before they marketed a motor car bearing his name. Prior to that time Dodge Brothers had built the vital parts for more than a half million other cars, establishing a reputation for thoroughness and mechanical skill.

This reputation has been more than upheld. It is said of Dodge Brothers in explanation of their unusual success, that they spare no money or effort in building a car to suit their particular ideas of thoroughness in manufacture. What their ideas on this subject mean to the purchaser of their product may be imagined from the fact that they have a staff of more than 700 inspectors who do nothing but check up on workmanship in the various processes of manufacture. In addition there are several large departments devoted entirely to similar work, such as the physical and chemical laboratories where raw and finished materials are subjected to tests so thorough as to leave no doubt of the quality.

It is significant that the first Dodge Brothers Motor Car ever built was made up exactly as a car is made in the regular line of production. Ordinarily the "experimental job," as the first car is known, is built of castings because of the great time and expense involved in preparing dies for forgings. Dodge Brothers, however, decided that their experimental car should be like the car they expected to build, in every detail, so that neither they nor the public might be "fooled." So they spent almost a year in making these dies and preparing otherwise for a completely manufactured car. As a result, when the car was built they knew what they had and what they and the public might expect of their products. As a further result this first car, although only an "experimental job" is still in daily service on the hardest runs—experimenting under all sorts of road conditions—and with a record of more than 150,000 miles behind it. This is but an illustration of the many things unique in the history of Dodge Brothers as manufacturers.

Public approval of their principles of thoroughness is seen in the rapid expansion of Dodge Brothers Works made necessary by public demand. In December, 1914, it was a plant of less than 20 acres. Today Dodge Brothers Wodks cover 100 acres of floor space.

CANDY PRICE CUT ONE-HALF.

New York, Aug. 2.—A cut of approximately 50 per cent in the price of all candy, from gumdrops to bon bons, was announced today by a chain candy store company, following a general agitation against the high prices of ice cream, cold drinks and confectionery.

Benjamin Miller, one of the company officials, made public a memorandum which he said had been sent to the National Confectioners Association. It said: 'It's time we got down to reason in this matter. We have been making not 100, but 200 per cent profit for a long itme. This kind of business, if kept up, would create a panic."

WIFE BEATING LEADS TO CAPTURE OF STIL

Pottsville, Pa., Aug. 2.—When Benjamin Zabrem, of this city, it is alleged, came home intoxicated and beat his wife with a club, their son, Harry, went before Alderman H. S. Davies and lodged information agaisnt Joseph Bella, a neighbor, charging him with manufacturing and selling whisky.

The State police seized Bella's still, in full operation, and the ingredients used in the plant. Bella was placed under $1000 bail for violation of the Volstead act, and Zabrem was sent to jail without bail to await the result of his wife's injuries.

GIRLS! BLEACH SKIN WHITE WITH LEMON

Squeeze the juice of two lemons in to a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of harmless and delightful lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then short ly note the beauty and whiteness of your skin.

Famous stage beauties use this lemon lotion to bleach and bring that soft, clear, rosy white complexion, also as a freckle, sunburn, and tan bleach because it doesn't irritate

Mental butterflying at 2 a. m. A great indoor sport for thoughtless people

One of the surest ways to become physically incapable of doing your best work is to get only snatches of sleep—broken by disturbing dreams.

If your sleep is being disturbed by drinking tea or coffee, you may be sowing the seeds of a nervous breakdown.

Do not wait until your nerves are affected by the drugs, thein and caffeine, in tea or coffee. Protect your strength, vitality and endurance.

Have sound, restful sleep, and wake refreshed and fit for any task.

Postum, the delicious cereal beverage, with its golden-brown richness and coffee-like taste, will let Nature restore your coffee-irritated nerves, and bring you sound, refreshing sleep.

Postum is wholesome and acts in a normal way. It possesses the advantages of a hot drink, without the ill effects of tea or coffee.

Drink Postum for a week or two. See what a difference it will make in you!

"There's a Reason."

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

At all grocers.
